

Smoke Free Environment

Ivanhoe Cambridge wants to provide you with the best possible air quality. That is why as a responsible property manager, we comply with the Quebec Tobacco Act.

Everyone who works in or occupies 1000 De La Gauchetière is required to respect the smoke free signs and directives.

The map below shows the outdoor smoke free areas as they apply specifically to 1000 De La Gauchetière.

For more information on the measures regulating the use, accessibility and promotion of tobacco products, contact the Ministère de la Santé et des Services Sociaux du Québec at 1-877-416-8222 or consult www.msss.gouv.qc.ca/loi-tabac.
